

Dear Client,

SAQA will no longer offer Urgent Verification service, effective 15 November 2022.

This service was put in place in January 2022 as an additional measure to assist applicants with urgent requests, however, due to capacity constraints the service is being discontinued until further notice. All verification applications will be handled in the standard turnaround time of 25 working days.

All verification letter requests should be sent to verificationsletter@sqa.co.za. We sincerely apologise for this inconvenience.

Kind Regards,

SAQA Authentication Services
