Dear Clients

NOTICE: SYSTEM CHALLENGES AFFECTING SA VERIFICATION & FOREIGN EVALUATION APPLICATION PLATFORMS

SAQA is experiencing system challenges resulting in glitches, and at times, unavailability of our key services such as VeriSearch, Certificate Verification Platform and SAQA Online Application Portal. This has resulted in applicants not being able to submit new applications nor follow up on the status of their old applications.

Our IT team is hard at work to speedily resolve this matter. We will provide regular updates.

We sincerely apologize for this inconvenience.

Kind Regards,

SAQA Communications

SAQA'S MISSION

"To ensure the development and implementation of a National Qualifications Framework which contributes to the full development of each learner and to the social and economic development of the nation at large"
